- Go to the online entry form for that department, then complete the entry and submit.

4

Can I bring in and enter my items on the intake days and not fill out the online entry form?

No, we are sorry. Items MUST be entered online, and then brought in on "item intake days."

How do I enter my vegetables or flowers online, if I don't know if they will be ready to harvest by the "item intake date"?

Do your online entry with what you believe you will want to enter. If your item is not ready to harvest by the date items are to be brought in, it is easy for us to delete that from your entry form on "item intake day."

6

Yes, some departments may limit the number of entries. Please refer to the individual department exhibitor handbook to see if there is a limit.

7

What are the "item intake dates" and times?

Please refer to the department exhibitor handbook to see which date and time for the department you will be entering in.

8
